

The process of withdrawal physical gold

If the investor needs physical gold, he can bring the securities passbook and fills "Application Form for Physical Gold Withdrawal" before 3 pm on each business day to the securities firms. The application unit is one tael or multiples of taels. The investor shall submit the handling fee for the conversion into physical gold at the custodian bank after being notified. Then the custodian bank delivers the 999.9 parts per thousand gold equipped with an anti-counterfeiting mechanism and guarantee letter to the investor.
